NISHA INTERIORS

Interior Design & Turnkey Execution

ABOUT

Nisha Interiors is a trusted interior design and execution company based in Gurgaon with 25+ years of experience in creating premium residential spaces. We specialize in creating elegant, functional, and customized spaces that reflect every client's lifestyle and vision.

With 300+ successfully completed projects, we provide complete interior solutions—from modular kitchens and wardrobes to false ceilings and complete home renovations. Our commitment to quality craftsmanship, premium materials, and timely execution ensures every project is built to last.

WHY HOMEOWNERS TRUST US

25+ Years Experience

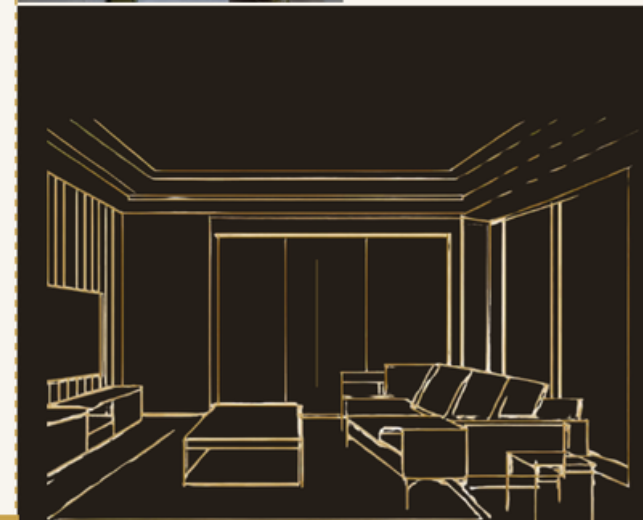

300+ Projects Delivered

Premium Materials

End-to-End Execution

For over 25 years, we've transformed houses into homes through thoughtful design, exceptional craftsmanship, and uncompromising quality

"Designing Beautiful Spaces with Precision, Quality & Trust"

OUR DESIGN PROCESS

From Vision to Reality

Every successful interior begins with a thoughtful process. Our experienced team manages every stage—from consultation and design to execution and final handover—ensuring a seamless experience and exceptional results.

Consultation

Understanding your lifestyle, space, goals and budget.

Site Measurement

Accurate measurements and technical planning before design begins.

Design & Material Selection

Layouts, finishes, laminates, colors, lighting and furniture planning.

Manufacturing

Precision manufacturing using premium materials and modern machinery.

Installation

Professional installation with strict quality control and supervision.

Final Handover

Final inspection, detailing and delivery of your dream home.

25+

Years Experience
